SpeedTree

Unreal Engine 5

Unity

Marvelous Designer

Substance Painter

Substance Designer

Substance Sampler

Photoshop

TRANSFERABLE SKILLS

- Team Work
- Attention to detail
- Time Management
- Adaptability
- Technical Proficiency

PROFILE

Hi, I'm Darshan (DJ), a 3D Generalist who loves building things from scratch. I focus mainly on modelling and texturing, with basic knowledge of rigging and animation. I'm detail-oriented, enjoy solving visual problems, and work well in team environments, especially when deadlines get tight.

WORK EXPERIENCE

George Brown College, Toronto, ON

JUN 2026 - Present

3D Artist, Lighting Artist

- Creating game-ready 3D assets for real-time educational application
- Setup and optimize lighting for all the levels
- Utilizing industry-standard tools such as 3ds Max, Maya, Blender,
- Substance Painter, Substance Designer, Substance Sampler, Unreal 5

HeRO Entertainment, Toronto

NOV 2024 - APR 2025

3D Artist (Intern)

- Model, refine, and optimize 3D assets as needed
- Bake and texture assets with strong visuals while keeping polycount low
